

JUMPSTART Your ERP Journey

A pre-configured ERP deployment framework built on Microsoft Dynamics 365 Business Central.

Ready-to-implement ERP packages developed by 9 Dots Consulting for organisations seeking a faster, structured and more cost-effective deployment.

One Proven Framework. Three Industry-Focused Packages.

FINANCE

TRADE

ASSEMBLY

THE MINDS BEHIND
JUMPSTART ERP

WHY WE CREATED JUMPSTART ERP

After delivering more than 300 ERP projects across Asia-Pacific, 9 Dots Consulting team observed that many organisations share similar finance, trading and assembly processes.

Jumpstart ERP was created to provide a pre-configured system with best-practice business processes, data migration templates and a guided implementation methodology.

The result is a faster, more predictable path to go-live.

THE JUMPSTART ERP IMPLEMENTATION WORKFLOW

PROVISION

9 Dots provisions your Business Central environment.

Within 24 hours.

PREPARE

You prepare master data & opening balances using our templates.

LOAD

9 Dots imports & performs data validation where applicable.

LEARN

Users complete Knowledge User Training (KUT).

TEST

Users complete User Acceptance Testing (UAT) & obtain formal sign-off.

GO LIVE

You start operating on Microsoft Dynamics 365 Business Central.

IS JUMPSTART ERP RIGHT FOR YOUR ORGANISATION?

Jumpstart ERP is ideal if you:

WANT SIMPLIER, STANDARD PROCESSES

You want to simplify or optimise your business processes.

DO NOT REQUIRE CUSTOMISATION

You want to avoid costly custom development.

WANT A STRUCTURED APPROACH

You want a proven methodology with clear steps & deliverables.

WANT A PREDICTABLE TIMELINE

You want a faster & predictable path to go-live.

THE JUMPSTART ERP SOLUTION

Everything you need for a faster go-live with Microsoft Dynamics 365 Business Central.
